At 5:04 p.m. Supervisor DiSalvo opened the Town Board meeting at the Town Hall, 103 Main Street, Mount Morris, NY. This meeting is to review the Preliminary Budget for 2025.

Members of the board are concerned with the amount that is budgeted for cemetery mowing and they are hoping the highway workers could mow some of the cemeteries and the park to save money. Superintendent Cipriano asked if they have reached out to any other Supervisors to see how they handle their cemeteries. Supervisor DiSalvo said that they all have their highway workers mow their cemeteries.

Accountant McKerrow said that based off of what is budgeted they are already counting on having highway workers do some of the mowing. What was quoted by Timothy Bryant and Jason Bryant was for more than what they have in the budget.

Supervisor DiSalvo said lets just go with what we have and if something changes after Mondays meeting, we can schedule another meeting to discuss it further.

Councilmember Rawleigh asked when the solar money would be coming in for next year. Supervisor DiSalvo said that the town will get paid for the month of December in January of 2025 and after that every following January.

Supervisor DiSalvo said that they can discuss more at the public hearing. Clerk Woodworth said that she would like to discuss her raise. She feels that she deserves more than \$962 with the amount of work she does in her office and that she is covering for other departments. She said she would like to get at least \$1500. Supervisor DiSalvo asked if they could wait until Monday. She said that’s fine, but she would like to go into executive session to discuss some other things that were supposed to be discussed at the last board meeting.
