

April 27th
Livonia Public Library
Open House 10:30a-2p

Come visit with representatives from the Livingston County Office for the Aging, Lifespan, CASA Trinity, and the Department of Veterans Affairs. Learn more about the services available to county residents ages 60+. Some of the **FREE** services include:

Tai Chi, Senior Technology Education, Wellness Initiative and Medicare 101 Classes. Events like Scam Prevention, painting, exercise and more are held in 4 different Social and Dining sites around the county.

At 11:30 am Join Pharmacist, Kirsten Galliford, for a discussion on medication side effects/risks and learn more about opioids.

You might be surprised by what's in your medicine cabinet!

Immediately following the talk, there will be a 1 hr.

Narcan training. Narcan is a life saving medication that reverses the effects of **any** type of opioid overdose.
